Westbound lane on Scheuring Road bridge to close in Brown County *Week long closure begins Monday*

(Green Bay) The Wisconsin Department of Transportation (WisDOT) Northeast Region office in Green Bay is announcing the westbound lane of Scheuring Road over US 41 will close for five consecutive days from 5 a.m., Monday Sept. 9 through Friday, Sept. 13. Drivers will need to find an alternate route heading westbound over Scheuring Road bridge. Eastbound lanes over the bridge will be open to traffic.

On September 4, 2012, a truck that exceeded the clearance limits hit the underside of the bridge, damaging four girders that support the bridge surface. Repairs are expected to be complete by mid-October.

All lane restrictions are weather dependent and subject to change.
